OFFICE OF PETITIONS

In re Application of :
Gyllensten et al. :
Application No. 10/529,446 : **ON PETITION**
Filed: November 28, 2005 :
Attorney Docket No. 25401-38 :

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed August 18, 2008, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

This application became abandoned for failure to timely submit the issue and publication fees, as required by the Notice of Allowance and Fee (s) Due, which was mailed May 13, 2008. The Notice of Allowance and Fee (s) Due and the Notice of Allowability set a three (3) month statutory period for reply. Extensions of time were not available under the provisions of 37 CFR 1.136(a). Accordingly, this application became abandoned on August 14, 2008.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(d). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Director may require additional information. See MPEP 711.03(c)(II)(C) and (D). The instant petition lacks item(s) (1).

As to item (1), although petitioner has submitted a request for continued examination (RCE) and information disclosure statement (IDS), since the application was held abandoned for failure to pay the issue and publication fees the required reply also must include the submission of the issue and publication fees. In an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof, the required reply must include payment of the issue fee or any outstanding balance. In an application, abandoned for failure to pay the publication fee, the required reply must include payment of the publication fee.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

There is no indication that the person signing the present petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. If appropriate a power of attorney and change of address should be submitted. A courtesy copy of this decision is being mailed to the address given on the petition. However, the Office will mail all future correspondence solely to the address of record.
